virgin blue **accelerate**

At Virgin Blue we have always delivered great service and products, while providing the business market with real savings on airfares. Now, with the new **Virgin Blue accelerate** program, we're taking this one step further.

Virgin Blue accelerate is our air travel program for companies with a total annual domestic air travel expenditure (all carriers) less than \$300,000 per annum and greater than \$20,000 per annum.

With Virgin Blue's accelerate, your business will benefit in the following ways:

- Every time you book an eligible flight via Travelcorp using your Virgin Blue accelerate account, you get closer to your annual reward targets
- An air travel credit of up to \$16,500* per year to spend on Virgin Blue flights for your company which could purchase up to 150^ one way Blue Saver flights from Sydney to Melbourne
- Discounted annual membership at The Lounge – located at Sydney, Melbourne, Brisbane, Canberra, Adelaide and Perth domestic airports
- In addition, travellers can earn Velocity Points and Status Credits on their flights

1. To register your interest in Virgin Blue accelerate, contact Travelcorp
2. The Virgin Blue accelerate team will then email you the application form and the Terms and Conditions of the program and cc Travelcorp
3. Return the completed application form via email to the Virgin Blue accelerate team with a cc Travelcorp
4. Virgin Blue will process your application and send an account confirmation to your agent and yourself within 7 days, so that you can start booking Travelcorp using your new Virgin Blue accelerate account
